

# TEXAS A&M UNIVERSITY CORPUS CHRISTI

## DSST

Prometric Inc. offers more than 30 DSST exams which are approved by the American Council on Education (ACE). The ACE provides both a recommended passing score and a recommended number of credits that could be awarded to successful candidates. Texas A&M University-Corpus Christi administers all the DSST exams on the computer. It grants credit for only four exams at the following minimum score: 1) Astronomy - 48 (PHYS 1304), 2) Computing and Information Technology - 45 (COSC1315), 3) Principles of Physical Science I - 47 (SMTE3315), and 4) Principles of Statistics - 48 (MATH1442). For test dates and times, please visit our website at [testing.tamucc.edu](http://testing.tamucc.edu) – click “[Credit by Examination](#)” (located on the left side of the webpage).

### **COST**

A \$10 administration fee is required at the time of registration. This registration fee is non-refundable and non-transferable. Candidates who are military service members and whose exams are funded by the Defense Activity for Non-Traditional Education Support (DANTES) will not be charged this fee as the university is a fully-funded test center. Eligible DANTES funded test takers attempting a test title for the first time will have their DSST exam fee funded by DANTES. (DANTES will not pay the exam fee for a previously funded DSST exam of the same title; the candidate will be responsible for the \$85 exam fee, but not the administrative fee). The \$85 DSST exam fee will be collected on test day. Only credit card is accepted for the DSST fee. (Prometric does not accept the Discover Card).

### **TEST APPOINTMENTS**

Test appointments must be made online at [testing.tamucc.edu](http://testing.tamucc.edu) – click “[Credit by Examination](#),” then click “[Register for this Exam](#).” If a candidate requires testing accommodations, please contact the Office of Academic Testing prior to registering for an exam. Thirty days’ advance notice is required by Prometric for specific testing arrangements.

### **TEST DAY**

On the day of the test, the candidate reports to the Student Services Center (SSC) room 210 and presents a valid form of identification. That identification must: be government-issued (e.g., driver’s license, state-issued identification card, passport, or military identification card), contain both a current photo and your signature, and have a name that exactly matches the name used to register for the exam. All eligible military personnel and eligible civilian employees of the United States military MUST present a current military photo identification card in order to receive DANTES funding. When sitting for the exam, a candidate will be required to create a username and password. Once completing some demographic information, the test fee will be charged when the candidate clicks “Begin Test.”

## SCORE REPORT

These exams contain 100 questions to be answered in two hours. Exam descriptions can be found at [getcollegecredit.com](http://getcollegecredit.com) - click "[DSST Exams](#)." Upon completion of the test, an examinee will be able to print a preliminary score report. Test results can also be viewed at [ibt.prometric.com/dsst](http://ibt.prometric.com/dsst) by entering the username and password created when the test was taken. A transcript request form and instructions for having a transcript sent to institutions can be downloaded from [getcollegecredit.com](http://getcollegecredit.com) - click "[DSST Exams](#)," then click "[Scores/Transcripts](#)."

## RE-TEST

Test-takers that wish to retake a DSST exam must wait 30 calendar days before attempting it again. This is a DSST policy. Any attempts to retest on the same title in less than the specified time will automatically generate an "Invalid" Score Report. Note: For eligible military students, DANTE only funds the first attempt to pass an exam; any subsequent attempts to pass a failed exam will be the test-takers responsibility.

## IMPORTANT

Examinees may use a basic four-function (+, -, x, /), silent, nonprogrammable calculator that does not have a full alphabetical keyboard or graphical display. The following items are prohibited in the testing room: any communication device, beverages, books, calculator watches, cameras, cellular phones, dictionaries, electronic pagers, food, highlighters, notebooks, notes, packages, paper, slide rules, spell checkers, study aids, or unapproved calculators. Pocket items - keys, wallet, etc. - must remain in a pocket during testing. (Calculators are only allowed on the following exam titles: Fundamentals of College Algebra, Principles of Statistics, Principles of Finance, and Business Mathematics).

## QUESTIONS

For information regarding applicability of these tests to specific degree programs, students should contact their academic advisors. For questions regarding testing, please contact the Office of Academic Testing at (361) 825-2334 or visit with us in the Student Services Center Room 210.
